XARES TEKSTİL

Where business and creativity meet

WWW.ARESTEKSTIL.COM

WHAT DO YOU KNOW ABOUT OUR COMPANY?

Founded in March 2002, Ares Tekstil is a circular knit and woven garment producer based in Izmir, Turkey, which has been exporting ready-made textile products for 20 years.

We bring together the necessary skills to offer a hands-on approach to managing every aspect of the supply chain from concept to delivery.

At Ares Tekstil we are able to provide a modern and efficient supply solution for each of our customer's need, from raw material sourcing and development to product concept design and full production standards.

OUR COMPANY FOCUS

Quality

From new yarn developments, fabrics, finishings, dying processes, embroideries, printing to accessories, we provide our customers with quality and innovative solutions.

Certificates

Ares Tekstil carries out all stages of manufacturing in accordance with quality principles and checks the quality at each stage. Ares Tekstil awarded with RCS, Recycled-100, Organic-100, Iso, Inditex approval certificate, makes sure the environmentally conscious manufacturing.

Creativity

We believe that design starts with a deep understanding of our customers' needs. That's why Ares Tekstil has a team of experienced designers with a retail background to ensure maximum focused product development for each customer.

Merchandising & Quality Control

Our products are carefully followed, tracked and delivered. With us you will find a true ally, able to provide you with superb quality control and merchandising.

Production

Ares Tekstil production capacity has improved and grown over the years, becoming a flexible production chain, able to adapt to each of our customers' requirements and systems. We offer higher quality products at very competitive prices and in flawless delivery timings.

Global | We are proud to export to more than 40 countries

ARES TEKSTİL ON SUSTAINABILITY

**INDITEX, RCS & OCS approved*

Our philosophy

Ares Tekstil philosophy is committed to the highest ethical and operational standards, focused on transparency and sustainable corporate management practices.
